2019 Greater Indiana SfN Annual Meeting Program

Breakfast & Registration

Hine Hall Atrium

8:00-8:45am

Opening Remarks

Hine Hall Auditorium

8:45-9:00am

Regional Keynote #1

Hine Hall Auditorium

9:00-10:00am

Kathryn Jones, PhD

Professor of Anatomy and Cell Biology,
Indiana University School of Medicine
CD4+ T cells, IL-10 signaling, and motoneuron survival following target disconnection by injury or disease

Short Talk Session #1

Hine Hall Auditorium

10:00-10:30am

Ehren Newman, PhD

Assistant Professor of Psychological and Brain Sciences
Indiana University-Bloomington
Tracking Neural Information Processing in the Brain and in the Dish

Coffee Break

Hine Hall Atrium

10:30-10:45am

National Keynote #1

Hine Hall Auditorium

10:45-11:45am

Antoine Bechara, PhD

Professor of Psychology
University of Southern California
What role does the insula play in driving motivation and addiction?

Lunch

Tower Ballroom

11:45-12:30pm

Regional Keynote #2

Hine Hall Auditorium

12:30-1:30pm

Liana Apostolova, MD, MSc, FAAN

Barbara and Peer Baekgaard Professor of Alzheimer's
Disease Research
Professor of Neurology, Radiology, Medical & Molecular
Genetics
Indiana University School of Medicine
Understanding Alzheimer's disease heterogeneity – a path towards precision Medicine

Short Talk Session #2

Hine Hall Auditorium

1:30-2:30pm

Peristera Paschou, PhD

Associate Professor of Biological Sciences
Purdue University
The Genetic Architecture of Tourette Syndrome: Unraveling the Spectrum of Neurodevelopmental Disorders

Benjamin Perrin, PhD

Associate Professor of Biology,
IUPUI
Refining Auditory Sensory Cell Architecture by Severing Actin

Coffee Break

Hine Hall Atrium

2:30-2:45pm

National Keynote #2

Hine Hall Auditorium

2:45-3:45pm

David Gamm, MD, PhD

Associate Professor of Ophthalmology
McPherson Eye Research Institute
University of Wisconsin
"One Size Does Not Fit All: Gene Therapy in Best Disease"

Reception & Poster Session

Tower Ballroom

3:45-6:00pm

Poster Session #1 - 3:45-4:45

Change Posters - 4:45-5:00

Poster Session #2 - 5:00-6:00
